Product overview

Prepare to be inspired. Whatever you're passionate about, get ready to take it to the next level with the all-new HP Pavilion Laptop. It's packed with the features you need to spark your creativity, with a style all its own.

Power through your day

With up to 9 hours of battery life[2], stay powered all day with charge to spare. Take on whatever life brings you with enough power left over to enjoy some well-earned free time.

Feel-good style

This laptop perfectly complements your style. From the thin, lightweight frame to the bold, playful design, every detail was crafted to make you stand out.

A truly powerful audio experience

With dual HP speakers, HP Audio Boost, and custom tuning by the experts at B&O PLAY, you can experience rich, authentic audio. Let the sound move you.

Upgrade it your way

Choose the options that matter most to you. Add a backlit keyboard, upgrade to Full HD[3], pick your processor and memory, or load up the extra graphics boost you crave.

Key Features

Windows 10

Do great things confidently with the familiar feel of Windows—only better.

7th generation Intel® Core™ processors

Powerful performance easily keeps up with all your multitasking demands, enables new ways to interact with your PC, and delivers enhanced 4K video capabilities.

IPS panel

No matter where you stand, this screen delivers clear, vivid images with 178° wide viewing angles, so everyone can get a great view.

Intel® HD Graphics

Impressive graphics help with everything you do. Whether it's watching a video or just surfing the web, Intel® HD Graphics render all the visuals on your screen with smooth, vivid quality.

DDR4 RAM options

Designed to run more efficiently and more reliably at faster speeds, DDR4 is the future of RAM. With its higher bandwidth, everything from multi-tasking to playing games gets a performance boost.

Specifications

Operating system	Windows 10 Home 64[1]
Memory, standard	8 GB DDR4-1866 SDRAM (1 x 8 GB)
Memory and storage	8 GB memory 256 GB SSD storage
Optical drive	SuperMulti DVD burner
Cloud service	Dropbox
Storage type	SSD
Hard drive description	256 GB M.2 SSD[4]
Processor speed	2.7 GHz
Processor family	7th Generation Intel® Core™ i7 processor
Processor	Intel® Core™ i7-7500U (2.7 GHz, up to 3.5 GHz, 4 MB cache, 2 cores)[5][6][7]
Processor technology	Intel Turbo Boost Technology

Documents

Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.microsoft.com

[2] Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See https://bapco.com/products/mobilemark-2014/

[3] Full high-definition (FHD) content is required to view full high-definition images.

[4] For storage drives, TB = 1 trillion bytes. Actual formatted capacity is less. Up to 35GB of drive is reserved for system recovery software.

[5] Intel® Turbo Boost technology requires a PC with a processor with Intel Turbo Boost capability. Intel Turbo Boost performance varies depending on hardware, software and overall system configuration. See http://www.intel.com/technology/turboboost/ for more information.

[6] GHz refers to internal clock speed of the processor. Other factors besides clock speed may impact system and application performance.

[7] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance. Intel, Pentium, Intel Core, Celeron, Intel logo and the Intel Inside logo are trademarks of Intel Corporation in the U.S. and other countries.

[8] Shared video memory (UMA) uses part of the total system memory for video performance. System memory dedicated to video performance is not available for other use by other programs.

[9] Features may require software or other 3rd party applications to provide the described functionality. Internet service required and not included.

[10] Actual speeds may vary.

[11] Wireless access point and Internet service required. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.

[12] Bluetooth® is a trademark owned by its proprietor and used by HP Inc. under license.

[13] ENERGY STAR and the ENERGY STAR mark are registered trademarks owned by the U.S. Environmental Protection Agency.

[14] EPEAT® Silver registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.

[15] Internet access required and not included. Subscription required after expiration. McAfee, LiveSafe and the McAfee logo are trademarks or registered trademarks of McAfee, Inc. in the United States and other countries.

[16] Internet access required and not included. Availability of public wireless access points limited.

[17] Call 1.800.474.6836 or www.support.hp.com for more information on Care Packs available after 90 days. After 90 days, an incident fee may apply.
