The banner features the Teltronix logo in white on a dark background. Below the logo, the slogan "MEASUREMENTS MATTER" is written in large, light blue, all-caps letters. Underneath that, the tagline "Be right. Be sure. MDO3000 Scope." is in a smaller white font. On the right side, there is a blue button with the text "SEE IT NOW" and a right-pointing arrow. The background of the banner shows a blurred image of a person's hands using a device, with a glowing blue line representing a signal or measurement.
